Mrs. Gina Nash
Assistant City Manager
City of Forney
P.O. Box 826
Forney, Texas 75126

Dear Mrs. Nash:

Please find attached a copy of the Traffic Control Plan (TCP) for the closure of Iron Gate Boulevard. US 80 frontage roads through traffic will be detoured onto the US 80 main lanes and the signage within the Windmill Farms Subdivision is for the sole purpose of directing residents to alternate routes.

The closure of Iron Gate Boulevard is anticipated until October 2013. If Iron Gate Boulevard can be safely opened to traffic before this time, TxDOT will re-open this access point to the US 80 frontage road.

If you have any questions or need more information, please contact Brenda J. Callaway, P.E. at 972-962-3617.

Sincerely,

Darwin J. Myers, P.E.
